

hmap::Function

```
graph BT; A[hmap::CraterFunction] --> B[hmap::Function]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'hmap::Function'. The bottom box is gray with a black border and contains the text 'hmap::CraterFunction'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating a relationship or inheritance.
